PIANO and KEYBOARD TEACHER at ST. CATHERINE'S PRIMARY SCHOOL.
B.MUS.ED. A.MUS.A.(PIANO). QLD COLLEGE of TEACHERS. (Current Registration)

ENROLMENT FOR PIANO LESSONS & RE ENROLMENT FOR 2027

I am a professional piano teacher and students learn on my Yamaha piano in an airconditioned tutorial room in the Nano Nagle building. Students learn to read and play music along with digital backings, with a particular focus on contemporary music. Students of all ages and levels are welcome.

All students gain performance experience, playing at a concert on a grand piano in November and receive an engraved piano trophy. I also offer AMEB (Australian Music Examinations Board) examinations.

What you need

Students need a keyboard with 66 keys to start with. Once students reach Book 3, they will require a keyboard or piano with 88 keys. They will also need a CD player, tablet, iPad or computer with USB set up nearby to play backing tracks using an audio access code. USB is also possible. I will organise books for you – these cost approximately \$35 which will be added to your invoice.

Pricing

All piano lessons are offered during school time with lessons available 4 days per week.

- \$440 if the term is 10 weeks
- \$396 if the term is 9 weeks

Terms & Conditions

Timetable

Due to my experience as a teacher at St Catherine's I can ensure that your child does not miss out on specialist activities such as: HPE, Music, Japanese, Drama, Library, Strings & Band. Your child is in their classroom which has an internal phone for me to call.

The lesson will be held on the same day weekly with the times rotating. Timetables can be found on your child's exercise book, at the piano room door & emailed to parents.

Missed Lessons

As I prepay for the hire of the room missed lessons cannot be made up and must be paid for. There are a limited number of reasons for which I will re-organise your child's lesson. These are: school photos, poetry festival, excursions, camps, Life Education, author visits, QCMF, NAPLAN, ICAS testing, Dance Fever timetable, swimming timetable, sports & swimming carnivals and teacher absence. Zones has to be missed.

If your child is away from school or on a holiday it is NOT made up and must be paid for. An internal phone is used to phone classes to remind students to attend as lessons are non-refundable.

Payment

Invoices should be paid by week 2. A late fee of \$44 will apply after week 2 & a further late fee of \$44 after week 6. With 2 students learning, I offer to split the invoices into 2 payments, payable in weeks 2 and 7.

How to enrol

To enrol your child please fill out this form to receive a no obligation free lesson held this term. After confirmation that your child has a time slot you are committed for a full term of fees. An invoice will be emailed after the first lesson. Forms can be returned to the school office in an envelope addressed to me or emailed to me. I will advise you later this term if your child will be on the wait list or has a time slot.

Piano enrolment form 2027.

I agree to sign into a full term of lessons with AM Pointon as per the terms & conditions listed above.
